Non-Confidential Pharmaceutical Project Brief

A first-contact template for CMO, CDMO and technology-transfer discussions

Version 1.0 · 21 July 2026

Complete only the high-level fields that can be shared safely. This document supports a preliminary assessment; it is not a quotation, product commitment, regulatory opinion or project acceptance.

Information boundary for this first contact

Do not include patient data, personal health information, prescriptions, complete formulations, detailed processes, unpublished dossiers, audit records, trade secrets, confidential commercial terms, or other controlled materials. If there is a plausible fit, the parties can agree an NDA and controlled request list.
